**This item can be cooked to order. Thoroughly cooking food of animal origin, including but not limited to beef, eggs, fish, lamb, milk, poultry, or shellfish reduces the risk of food borne illness. Young children, the elderly, & individuals with certain health conditions may be at a higher RISK if these foods are consumed raw or undercooked.

We try to identify ingredients that may cause allergic reactions for those with food allergies. Our food production staff is trained on the severity of food allergies. We label items with possible allergen-containing ingredients; however, there is always a risk of contamination. There is also a possibility that manufacturers of the commercial foods we use could change the formulation at any time, without notice. Customers concerned with food allergies need to be aware of this risk. Please be aware that our facility prepares foods and uses ingredients in our products that contain nuts, nut oil, shell fish, wheat, milk, cheese, casein and products that cause other common food allergies. If you have any type of food allergy, please refrain from eating our products.
